*Good things come in threes. This rolling documentation is available as HTML, PDF, or Slideshow*

## Background

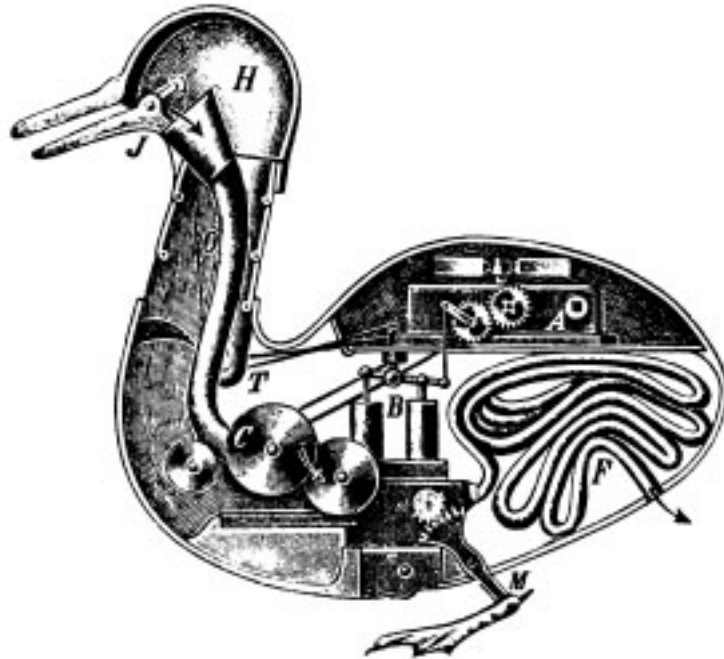

blah blah blah blah

## Methods

- blah blah blah
- Here are some slideshow bulletpoints
  - Sometimes I need to say things in this format in slides only
  - etc etc etc

## Results

blah blah blah  
Let's add a funky image

...and another...

## Conclusions

\*Occasionally I might want to have some formatting or additional stuff for the latex -> pdf file that doesn't appear in the other ones. Blah blah blah blah. \*  
 blah blah blah

## References

blah blah blah
